Primary Examiner

This is in response to Applicants' Appeal Brief filed February 20, 2004.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach an angular measuring system comprising a coding disk and a clamping device for clamping a pick up shaft to a driveshaft of a drive unit and a clamping element having a slit in a clamping area, including an actuating element which directly contacts the pick up shaft and is operative to directly spread the slit when rotated within the shaft.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Que T. Le whose telephone number is (571) 272-2438.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David P. Porta, can be reached on (571) 272-2444. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0956.
